

CloudTest End User License Agreement

THIS END USER LICENSE AGREEMENT (“EULA”) SPECIFIES THE TERMS UNDER WHICH AN END USER (“CUSTOMER”) IS PERMITTED TO INSTALL AND USE THE SOFTWARE (AS DEFINED BELOW) SUPPLIED BY AKAMAI TECHNOLOGIES, INC. OR ANY OF ITS AFFILIATES (“AKAMAI”) AND ASSOCIATED THIRD PARTY SOFTWARE. CUSTOMER MAY ONLY LICENSE THE SOFTWARE FROM AKAMAI OR A RESELLER, SYSTEMS INTEGRATOR, OR DISTRIBUTOR AUTHORIZED BY AKAMAI (I.E. AN “APPROVED SOURCE”) IN ACCORDANCE WITH THE APPROVED SOURCE’S AGREEMENT WITH AKAMAI TO DISTRIBUTE AND/OR SUBLICENSE THE APPLICABLE SOFTWARE WITHIN CUSTOMER’S TERRITORY TO END USERS. ANY APPROVED SOURCE IS OBLIGATED TO ENSURE THAT CUSTOMER IS BOUND BY TERMS SUBSTANTIALLY SIMILAR TO, AND NO LESS RESTRICTIVE OR LIMITED THAN, THIS EULA, WHICH THE APPROVED SOURCE SHALL ENSURE IS BINDING ON, AND ENFORCEABLE AGAINST, THE CUSTOMER IN THE APPLICABLE JURISDICTION.

1. Agreement to EULA. This EULA is between Akamai and the Customer. By downloading, installing or using the Software, Customer consents to be bound hereby. If Customer does not agree to be bound by the EULA, it may not download, install, or use the Software. For purposes of clarity, the Software shall be defined as a “Service” under the Terms & Conditions. Capitalized terms used but not defined herein are defined on Akamai’s Services Page at www.akamai.com/service.

2. Definitions.

“Documentation” means the published and released documentation, updates, and electronic files, for the Software.

“Instance” means only one physical server or as a single virtual machine image.

“Order Form” means a written order for the Software signed by each party.

“Software” means CloudTest, a dynamic web application that combines a web browser user interface with distributed web services for testing load and performance on a Customer’s web properties.

“Third Party Software” means third party software (including open source) that is provided by Akamai in connection with the Software listed at www.akamai.com/product/licenses, as amended from time to time.

3. Grant. Akamai grants to Customer a non-exclusive, non-transferable, non-sub licensable right to install and use Software on only one Instance for (i) internally testing Customer’s websites and web-based and/or mobile

applications behind Customer’s firewall, and/or (ii) externally testing Customer’s websites and web-based and/or mobile applications. Customer may run unlimited tests, but the scale for each test shall be capped at the number of concurrent virtual users as specified in an Order Form. Unless otherwise specified in an Order Form, Customer shall host Software and Customer shall be responsible for external load generation via Customer’s infrastructure and/or Customer’s obtained and managed cloud environment. Customer must pay a fee for each individual license for a single Instance of the Software. With tests launched from Software, the Customer is licensed to provision and launch the number of servers necessary to execute the test as needed to reach the concurrent virtual user limit as specified in an Order Form. Customer may also use the Third Party Software that Akamai has incorporated in, or otherwise distributes with, the Software.

4. Term. This EULA is effective upon Customer’s execution of an Order Form and payment of the license fees for the Software to the Approved Source. Unless terminated earlier as provided herein, the EULA shall continue until the end of the Software subscription term specified in the Transaction Document(s), subject to applicable fees. Akamai may terminate this EULA upon Customer’s breach of any EULA term, and this EULA shall automatically terminate when either party terminates the corresponding Transaction Document(s). Upon termination by Akamai, Customer shall return to Akamai all copies and portions of the Software. Termination of this EULA shall not prejudice Akamai’s rights to any available remedies.

5. Limitations. Customer will not (1) copy, modify, or create any derivative works of the Software or any portion thereof; (2) disassemble, reverse assemble, decompile, or otherwise attempt to derive the source code, the underlying ideas, algorithms, structure, or organization of the Software; (3) assign, transfer, lease, provide services to third parties using the Software; (4) disable the Software, unless required by law; or (5) authorize or permit any third party to do any of the foregoing. This license does not confer any implied licenses or any license to Software source code. Rights to Third Party Software are provided in the corresponding license agreements at www.akamai.com/product/licenses; and Customer agrees to comply with such Third Party Software license agreements. Nothing in this EULA permits Customer to sublicense, distribute, or resell the Software, or any portion thereof. Customer will not remove, alter, or obfuscate any copyright, trademark, or other proprietary rights notices placed or embedded by Akamai on or in the Software. Customer’s rights in the Software and Documentation are solely as set forth in this Agreement. Customer agrees that, as between Akamai and Customer, Akamai owns all rights, title, and interest (including without

CloudTest End User License Agreement

limitation all intellectual property rights) in the Software and Documentation, and all modifications or improvements thereto, whether or not created by Akamai.

6. Delivery and Infrastructure. Unless otherwise specified in writing by Customer, Software delivery will be by File Transfer Protocol (“FTP”) to a deployment destination set forth in an Order Form. Provided, that Customer has paid all applicable fees and is not otherwise in breach of the Terms and Conditions or this license, updates and bug fixes will be provided at no additional cost and delivered electronically to a connection specified by Customer. Customer is responsible for providing its own infrastructure including all hardware and software needed to use the Software as specified in the documentation for the Software. Customer is solely responsible for all costs, expenses, and responsibility for testing.

7. Limited Warranty. Akamai warrants that, with normal use and service, the Software shall materially conform to Akamai’s then-current published specifications as such published specifications exist at time of delivery for the specific most current release of such Software that is shipped to the Customer for a period of ninety (90) days from the date of shipment (the “Warranty Period”). During the Warranty Period, as Customer’s sole and exclusive remedy, Akamai will provide correction or workaround of identified problems, including patches, corrective Software releases or other means reasonably determined by Akamai to correct the particular Software’s failure to conform to the warranty, which means may include Customer being required to upgrade to a more current version of such Software, provided that the Customer has notified Akamai in writing of the nature of the non-conformity. This warranty shall not apply if any Software has been (a) modified or altered by anyone other than Akamai, (b) abused or misapplied, or (c) used in combination with hardware or software other than software or products sold by Akamai or expressly qualified by Akamai for which the Software was designed. In no event does Akamai warrant that the use of Software will be error free or uninterrupted. Akamai’s sole obligation under the software warranty shall be to provide the remedies described above. This warranty does not apply to (a) Software licensed for beta, evaluation, testing or demonstration purposes or (b) any other Akamai product or service. Akamai shall incur no liability under this warranty if Customer fails to provide Akamai with written notice of the alleged defect during the Warranty Period, or if Akamai’s tests disclose that the alleged defect is due to causes not within Akamai’s reasonable control. Updates and upgrades are not included as part of this warranty.

Akamai provides no warranty, guarantee or other agreement, whether express, implied, or statutory, in respect of any

goods, equipment, hardware, cabling, materials, services, support, products or licensed software supplied by parties other than Akamai or its Affiliates, and bears no responsibility therefor or for services in respect thereof. Third Party Software is not Software for purposes of this EULA.

8. Disclaimers. EXCEPT FOR THE EXPRESS WARRANTIES STATED IN SECTION 7, THE SOFTWARE IS PROVIDED “AS IS”, AND AKAMAI DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY WITH RESPECT TO THE AKAMAI SOFTWARE PROVIDED UNDER THIS EULA, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ANY WARRANTIES OF NON-INFRINGEMENT, TITLE OR SECURITY, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OR TRADE PRACTICE. AKAMAI’S EXPRESS WARRANTIES WILL NOT BE ENLARGED, DIMINISHED OR AFFECTED BY, AND NO OBLIGATION OR LIABILITY WILL ARISE OUT OF, AKAMAI RENDERING TECHNICAL OR OTHER ADVICE OR SERVICE IN CONNECTION WITH THE SOFTWARE. CUSTOMER ACKNOWLEDGES AND AGREES THAT IN EACH JURISDICTION IN WHICH ANY SUCH DISCLAIMER IS UNENFORCEABLE, THE DURATION OF ANY IMPLIED WARRANTY NOT EFFECTIVELY DISCLAIMED WILL BE LIMITED TO THE WARRANTY PERIOD.

9. Export Control. Customer acknowledges the Software is subject to export controls under the laws and regulations of the United States and any other applicable countries’ laws and regulations. Customer will not export, re-export, distribute or supply the Software (including any part of the Software or any direct product thereof), confidential information, or related technical data in contravention of the export control laws of any jurisdiction. If the Software is acquired under the terms of a Department of Defense or civilian agency contract, the Software is “commercial item” as that term is defined at 48 C.F.R. 2.101 (Oct. 1995), consisting of “commercial computer software” and “commercial computer software documentation” as such terms are used in 48 C.F.R. 12.212 of the Federal Acquisition Regulations and its successors and 48 C.F.R. 227.7202-1 through 227.7202-4 (June 1995) of the DoD FAR Supplement and its successors. All U.S. Government end users acquire the Software with only those rights set forth in this EULA.
