Europe,
Middle East,
and Africa (EMEA)
PROGRAMS

Locations:
Ireland (Dublin/Remote)|
Poland (Krakow/Remote)
Israel (Tel Aviv/Remote)

▶▶ OVERVIEW

The EMEA region offers internship programs spread across three locations: Ireland, Poland, and Israel, as well as the trainee program in Poland. As a participant, you will gain valuable experience and make contributions through meaningful project work. You will have the opportunity to join us for career training, networking events, and engagements with company leadership. Our internships are open for students and graduates.

OUR PROGRAMS

Intern:

Ireland: 12-week summer internship starts in June

Poland: 6-month internship starts in July

Israel: 6-month internship starts in July

Augmentor Program:

6-month program, start date is flexible

IMPORTANT DATES

Poland and Israel:
Roles posted: February and March
Start date: First week in July
Program length: 6 months

Ireland and U.K.:
Roles posted: September and October
**Start date:** First week in June
**Program length:** 12 weeks

BENEFITS

- Be a member of an international intern community
- Mentorship and training
- Explore various career paths
- Network
